ESTABLISHMENT - Temporary - South Kanara - U.D.C. in the Collec--tor's Office, Mangalore for work connected with the de-requisitioning of Military lands - Further---Retention - Proposals submitted.

Ref: Ref.G.O.Ms.No.2387, dated 14-10-1947.

The ~~period~~ period of retention of one U.D.C.in the Collector's Office, Mangalore, for work connected with the de-requisitioning of Military lands in South Kanara District, sanctioned in the G.O.cited above expires on 31-12-1947. The retention of the U.D.C. for a further period of three months from 1-1-1948 is necessary for the following reasons:-

(1) A number of items of court costs awarded to Government are pending recovery. Steps are being taken to recover the amounts due to the Government from the parties and in deserving cases they are recom--mended to the Government to be written off.

(2) Another important item of work that will have to be taken up shortly on receipt of orders from the Government of India is the payment of compensation towards the purification of temples. When the Special Arbitrator's Court ceases to function a lot of work such as payment of compensation to the parties under the Special Arbitrator's award, depositing the compensation amount in court as per the Special Arbitrator's ~~we~~ award, recovery of court costs, if any, awarded to -- Government and enquiry into miscellaneous petitions from parties etc. will have to be attended to in this office.

The above items of work are important ones requiring careful scrutiny. The retention of the U.D.C. in my office till 31-3-1948 absolutely necessary as there will be enough work for one U.D.C. I request that sanction may be accorded for the retention of the post till 31-3-1948. The post will be terminated if the necessity for it retention ceases earlier.

2. The U.D.C.may be permitted to draw special pay at 25% of hi pay as hitherto.

For Collector.
